LIST OF ATTORNEYS

Greece is divided into two Consular Districts: Americans seeking Consular advice and assistance in northern Greece (Macedonia and Western Thrace) should contact the U.S. Consulate in Thessaloniki, while Americans in the rest of Greece may turn to the U.S. Embassy in Athens. For names of lawyers in the Thessaloniki area, please contact the U.S. Consulate at 43 Tsimiski Street, Shopping Center "Platia", 7th floor, GR- 546 43, Thessaloniki.

The Athens Consular District comprises the following regions:

Aitoloakarnania, Arcadia, Argolis, Arta, Attica, Cyclades Islands, Dodecanese Islands, Evia, Evritania, Fokis, Fthiotis, Hios, Iliia, Ioannina, the island of Crete, Kefalonia, Kerkyra, Korinthia, Laconia, Lefkas, Lesvos including the island of Limnos, Magnisia, Messinia, Preveza, Samos, Thesprotia, Trikala and Zakynthos.

The following attorneys enjoy a good reputation and speak English. The Embassy cannot assume responsibility for their professional ability or integrity. If you have any complaints or concerns regarding any of the attorneys on this list, please contact us immediately. The attorneys are listed alphabetically, by town, and the order in which they appear has no other significance. All are Greek citizens, since under Greek law no alien may practice law in Greece. Please see the next page for additional advice on hiring a lawyer in Greece.

This list includes lawyers who handle criminal and civil (inheritance, divorce, etc.) cases; a separate list of lawyers specializing in business law is available from the Embassy's Commercial Section.

Dear Sir/Madam:

We are providing this list of reputable attorneys licensed to practice in Greece with the understanding that you will select a legal representative with the same care that you would choose one in the United States. We advise the following:

- When making your choice, please take into consideration whether you can easily communicate with the attorney and whether he/she appears responsive. The Embassy does not have the staff to handle or facilitate communications between you and your attorney. If your attorney does not speak English and you don't speak Greek, please arrange for a translator; you may be able to find one through a Greek Orthodox Church or the Greek Department of a local college or university.
- Please make sure you and your attorney are in clear agreement on the services that will be provided for the fee you pay. The best way to ensure this is to have a written fee agreement. It is wise to keep records and receipts of all payments.
- Please understand that the Greek legal system is substantially different in its procedures from the American. Although many aspects may seem strange to Americans, the basic principles are the same, and the Embassy is aware of no case in recent years in which Americans were discriminated against because of their nationality. Your problem will be handled more effectively if you work with your attorney in the framework of the Greek system, rather than if you expect that things will be settled "our way".
- Be prepared for a lengthy process: Greek courts are very backlogged, and postponements and delays are very common. Especially in estate and property cases, a hearing may wait months (if not a year or longer); even criminal cases may take up to 18 months to come to trial. If there are special circumstances, your attorney can petition the court for an early trial or hearing date, but such requests are not always granted. The decision of the initial court is often appealed in Greece; in a civil case, however, an appeal cannot be filed until the initial decision is formally recorded by the court, a process that may take additional months. The Embassy has no standing to intervene these processes.
